MEMORANDUM FOR: Director of Personnel
THROUGH: Assistant Deputy Director for Intelligence
SUBJECT: OBGI Evaluation of the Summer Employee Program

1. This Office fully supports the policy of having a Summer-Only Employee Program. During the past summer, the Office of Basic and Geographic Intelligence had 33 persons assigned which represented about one-third of the total employed in the DDI.

2. The effectiveness of the program was outstanding. A sizeable backlog of routine work was eliminated and, in many cases, current production was meaningfully accomplished. Training time was at a minimum, as many returned from previous summers. An encouraging sign is the fact that two persons chose to stay with the Office on a full-time basis and two continued in a part-time capacity.

3. The attached reports from the several divisions in OBGI provide detailed evaluations.
